

NEW OFFER ALERT!

Language Workshops

When we speak the same language, our teams function easier, work more efficiently, and prioritize safe working environments. If you've been struggling with fuzzy Google Translate skills for employee management, deliverable or project instructions, or day-to-day operations, **this workshop is for you.**

Some things you'll be learning are:

- How to improve your Spanish pronunciation in 10 seconds or less.
- How to say and when to utilize common phrases in Spanish and English.
- How to improve your English pronunciation of common verbs, names, and words.
- How to ask for help in Spanish or English.
- Which machine translation resources are the best to use.
- ...And so much more!

Focus: employee engagement, intercompany communication, health and safety, all Spanish, all English, or bilingual activities

Time: 3 one-hour meetings: 1 interactive keynote with two follow-up meetings

Cost: \$999

Limited to 12 attendees
